entitled "An Enzyme System for
Cyclic Ketone Lactonization" by
H.E. Conrad, Rene DuBus, and I.C.
Gunsalus, equation 3 on page 294
should be:

Volume 6, Number 4, November 29, 1961, in the article entitled
"Studies on the Substrate Specificity of the Phosphatide Methylating
System of Microsomes" by Keith E. Cooksey and David M. Greenberg
(pages 256-260):

Page 259 should include the following material as a footnote to
Table II:

The higher figures in Table II for the radioactivity in
phospholipid base values over the % conversion represent counts
uncorrected for background counts.
