

ERRATUM

Volume 115, Number 2, September 15, 1983

In "Mode of Organization of Galactolipids: A Conformational Analysis," by Robert Brasseur, Joëlle De Meutter, Erik Goormaghtigh, and Jean-Marie Ruysschaert, pages 666-672, three double bonds were omitted from the DG structure shown in Fig. 1 (page 667). For the readers' convenience the corrected Fig. 1 is given here.

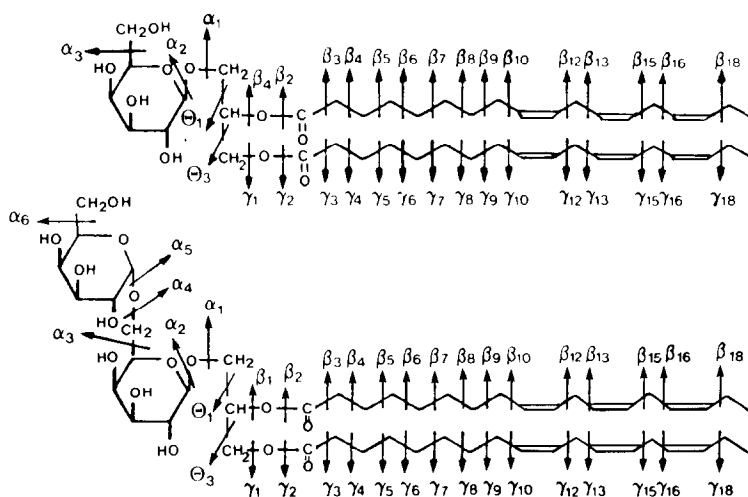

Figure 1. : Chemical structure and notation of torsional angles in MG and DG.
