

ERRATA

Volume **237**, Number 2 (1997), in Article No. RC977139, “Characterization of AT-1 Cardiomyocytes as a Model for Studies of T_3 Effects on Cardiac Cells,” by Shiva Shahrara, Viktor Drvota, Irina Blange, Hans Törmä, and Christer Sylvén, pages 303–306: On page 303, in the affiliation line, the affiliation of the fourth author was inadvertently omitted. For the reader's convenience, the correct author and affiliation lines are printed here.

Shiva Shahrara,* Viktor Drvota,* Irina Blange,*
Hans Törmä,† and Christer Sylvén*

*Department of Cardiology, Karolinska Institute, Huddinge Hospital,
S-141 86 Huddinge, Sweden; and †Department of Dermatology,
University Hospital, S-75185 Uppsala, Sweden

This erratum is Article No. RC989755.

Volume **247**, Number 1 (1998), in Article No. RC988753, “Atrial Natriuretic Factor-Induced Amylase Output in the Rat Parotid Gland Appears to be Mediated by the Inositol Phosphate Pathway,” by L. G. Bianciotti, M. S. Vatta, J. C. Elverdin, M. B. di Carlo, G. Negri, and B. E. Fernandez, pages 123–128: On page 124, left column, lines 51–52 should be “. . . Krebs-bicarbonate solution/10 mM LiCl . . .” instead of “. . . Krebs-bicarbonate solution/10 nM LiCl . . .” On page 126, Fig. 7, the concentration of neomycin should read “1 mM” instead of “1 μ M.” The legend was correct as printed. For the reader's convenience, the correct Fig. 7 and its legend are printed here.

This erratum is Article No. RC989550.

FIG. 7. Effects of atrial natriuretic factor (ANF) on phosphatidylinositol hydrolysis in the presence of neomycin (Nmc). a: $p < 0.001$ as compared with the control group; b: $p < 0.01$ as compared with ANF group. Data is shown as the mean $\pm$ S.E.M. Number of experiments: 5–9.
