

2015 ShanghaiTech-SIAIS BioForum

Advances in Integrative Biology of Cellular Processes

Shanghai, November 10 - 12, 2015

ORGANIZER
SIAIS
ShanghaiTech
University

Registration: <http://bioforum2015.shanghaitech.edu.cn> **Contact:** siaisbioforum@shanghaitech.edu.cn

The second **ShanghaiTech-SIAIS BioForum**'s theme will be Advances in Integrative Biology of Cellular Processes. The BioForum will bring together experts in structural biology, molecular and cell biology, computational biology, chemical biology, neurobiology and drug discovery. The BioForum will highlight new developments in the function of cellular systems that involve membrane proteins, macromolecular machines, host-pathogen interactions, and in their visualization using cutting edge technologies.

Organizing Committee

Ian Wilson (Chair)
Richard Lerner
Biao Jiang
Guang Yang
Ernesto Carafoli
Mingqiang Zhang

Speakers

David Baker
Tamas Bartfai
Günter Blobel
Ernesto Carafoli
Yifan Cheng
Alexander Gabibov
Bo Huang
Roger Kornberg
Carolyn Larabell
Andrew Marks
Katsuhiko Mikoshiba
Carol Robinson
Terrence Rabbitts
Andrej Sali

Local Administration

Bing Chen
Ying Liu

BBRC-Elsevier Author Workshop

November 12, 2015

It will discuss scholarly publishing procedures and research and publication ethics.

Speakers

Dolors Alsina Ernesto Carafoli Glenn Begley Harold Erickson Ian Wilson
