Effects of Cholesterol and Enantiomeric Cholesterol on P-Glycoprotein Localization and Function in Low-Density Membrane Domains, by Gary D. Luker, Christina M. Pica, A. Sampath Kumar, Douglas F. Covey, and David Piwnicka-Worms*, Volume 39, Number 26, July 4, 2000, pages 7651–7661.

Page 7656. In the legend to Figure 3, sentence 3 should read as follows: Cells were incubated in medium in the absence (▲) or presence (■) of 15 mM CD as described in Figure 1.
