Mobility of Fluorobenzyl Alcohols Bound to Liver Alcohol Dehydrogenases as Determined by NMR and X-ray Crystallographic Studies, by Jon K. Rubach and Bryce V. Plapp*, Volume 41, Number 52, December 31, 2002, pages 15770–15779.

Page 15773. Because of an error, 10 μ N F93A ADH and 20–240 μ M benzyl alcohol in footnote a of Table 3 were published incorrectly (10 μ M F93A ADH and 20–240 μ N benzyl alcohol, respectively) in the version published on the Web 12/03/02 (ASAP) and in the December 31, 2002, issue (Vol. 41, No. 52, pp 15770–15779). The correct electronic version of the paper was published 01/08/03.
