

ADDITIONS AND CORRECTIONS

ПД: S0968-0896(97)10012-8

Serge Fabre, Michelle Prudhomme, Martine Sancelme and Maryse Rapp, Indolocarbazole protein kinase C inhibitors from rebeccamycin, *Bioorganic & Medicinal Chemistry*, **1994**, 2, 73–77, 0968-0896(94)E0002-J.

The structure of compound **4** is incorrect. In the basic medium used for dechlorination, the imide function of the non-indolic heterocycle was converted to anhydride. The correct structure for **4** is given below:

The same correction applies to the following papers in which this compound was mentioned: Martine Sancelme, Serge Fabre and Michelle Prudhomme, *J. Antibiotics*, **1994**, *47*, 792–798 (compound **17**); Elisabethè Rodrigues Pereira, Laure Belin, Martine Sancelme, Michelle Prudhomme, Monique Ollier, Maryse Rapp, Danièle Sevère, Jean-François Riou, Doriano Fabbro and Thomas Meyer, *J. Med. Chem.*, **1996**, *39*, 4471–4477 (compound **5**); Christian Bailly, Jean-François Riou, Pierre Colson, Claude Houssier, Elisabethè Rodrigues Pereira and Michelle Prudhomme, *Biochemistry*, **1997**, *36*, 3917–3929 (compound **R-18**); Fabrice Anizon, Laure Belin, Pascale Moreau, Martine Sancelme, Aline Voldoire, Michelle Prudhomme, Monique Ollier, Danièle Sevère, Jean-François Riou, Christian Bailly, Doriano Fabbro and Thomas Meyer, *J. Med. Chem.*, **1997** in press (compound **16**); Michelle Prudhomme, *Current Pharmaceutical Design*, **1997**, in press (compound **27**).
