

Corrections

Santos, Nuno C., and Miguel A. R. B. Castanho. 1996. *Biophys. J.* 71:1641–1650.

Page 1642, column 1, last line, "... $R_{\text{benzene},90^\circ} = 8.51 \times 10^{-6} \text{ cm}^{-1}$..." should read "... $R_{\text{benzene},90^\circ} = 11.8 \times 10^{-6} \text{ cm}^{-1}$...". Therefore, the values regarding molecular weights in Table 1 (last column), page 1646, should read (from top to bottom): 29.6, 25.4, 26.1, 36.6, 32.7, 34.9, 29.3, 31.8 and 43.4, instead of, respectively, 21.3, 18.3, 18.8, 26.3, 23.5, 25.1, 21.1, 22.9 and 31.2.

Page 1645, column 1, line 21, "... defined as $G_x(t) = \ln G_x(t)$." should read "... defined as $G_x(t) = \ln G_x(t)$."

Page 1649, column 1, equation AI.9, " $\langle R_g^2 \rangle^{-1/2} = \dots$ " should read " $\langle R_g^2 \rangle^{1/2} = \dots$ "

Page 1650, column 1, line 4, " $\dots = \int_{\nu_2}^{\nu_1} \dots$ " should read " $\dots = \int_{\tilde{\nu}_2}^{\tilde{\nu}_1} \dots$ "

Thevenin, Bernard J.-M., Stephen E. Bicknese, A. S. Verkman, and Stephen B. Shohet. 1996. *Biophys. J.* 71:2645–2655.

In the original version of the article, Mr. Julius Park was not listed as the third author of the paper. The correct author line should read:

Bernard J.-M. Thevenin, Stephen E. Bicknese, Julius Park, A. S. Verkman, and Stephen B. Shohet.

The reference should read as follows:

Bernard J.-M. Thevenin, Stephen E. Bicknese, Julius Park, A. S. Verkman, and Stephen B. Shohet. 1996. Distance between CYS-201 in erythrocyte band 3 and the bilayer measured by single-photon radioluminescence. *Biophys. J.* 71: 2645–2655.
