
Correction

Pänke, Oliver, Dmitry A. Cherepanov, Karin Gumbiowski, Siegfried Engelbrecht, and Wolfgang Junge. 2001. *Biophys.J.* 81:1220–1233.

On p. 1230, Eq. 6 is incorrect. The correct Eq. 6 is:

$$\bar{V} = \frac{\frac{2\pi}{3} \Gamma^{-1} k_B T (1 - e^{-2\pi T_1/3k_B T})}{\int_0^{2\pi/3} e^{U(\theta)/k_B T} d\theta \int_0^{2\pi/3} e^{-U(\theta)/k_B T} d\theta - (1 - e^{-2\pi T_1/3k_B T}) \int_0^{2\pi/3} e^{-U(\theta)/k_B T} \int_0^\theta e^{U(\theta')/k_B T} d\theta' d\theta} \quad (6)$$
