

Correction

Flomenbom, O., and J. Klafter. Translocation of a single-stranded DNA through a conformationally changing nanopore. *Biophys J.* 86:3576–3584.

Equation B1 should read:

$$\begin{aligned}\mathbf{M}_{\text{QQ}} &= [\mathbf{H}_{\text{QQ}} - \mathbf{H}_{\text{QZ}}(\mathbf{H}_{\text{ZZ}})^{-1}\mathbf{H}_{\text{ZQ}}]^{-1} = \mathbf{A}^{-1}\mathbf{C}(\mathbf{B} - \omega_{\text{B}}) \\ \mathbf{M}_{\text{QZ}} &= [\mathbf{H}_{\text{ZQ}} - \mathbf{H}_{\text{ZZ}}(\mathbf{H}_{\text{QZ}})^{-1}\mathbf{H}_{\text{QQ}}]^{-1} = -\mathbf{A}^{-1}\mathbf{C}\omega_{\text{B}}.\end{aligned}$$

Also, the Flomenbom and Klafter, 2004, reference has been updated as follows:

Flomenbom, O., and J. Klafter. 2004. Resonant activation in discrete systems. *Phys. Rev. E.* 69:051109—1–5. Appeared on: <http://xxx.lanl.gov/abs/cond-mat/0402331>.
