

Corrections

Mitragotri, Samir, Mark E. Johnson, Daniel Blankschtein, and Robert Langer. 1999. *Biophys. J.* 77:1268–1283.

On page 1277, second paragraph, 19th line, “. . . so deduced is 1.1 Å for trans-bilayer. . .” the sentence should read, “. . . so deduced is 0.85 Å for trans-bilayer. . .”.

McGrath, James L., John H. Hartwig, and Scot C. Kuo. 2000. *Biophys. J.* 79:3258–3266.

The figures originally published were missing data curves. Below are the revised figures containing the missing data.
