HOT SUMMER 24

*Photographer: Alex Sher @alexsher.art & <https://alexshergallery.com>
Fine Artist/Model: Ksenia Meiron @kseniameiron*

Alex Sher is an award-winning American underwater fine art photographer internationally recognized for his distinctive depictions of feminine sensuality.

Sher was born in Ukraine and moved to the United States with his family in 1995.

Sher started showing his photographs in the early nineties in Kyiv, Ukraine. Later in US Sher began experimenting with marine wildlife photography and sharply moved toward figurative fine art. His latest artistic innovations blend figurative and abstract photography into forms that could be almost mistaken for abstract paintings.

Sher's underwater photography began to attract extensive interest in 2015. To date, his works have been exhibited in London, Paris, New York, Chicago, Miami, Los Angeles, San Francisco, and other major cities including the Louvre Museum in Paris. His first solo show was held in 2016 in Los Angeles by Bruce Lurie Gallery. Since his debut, Sher had seven exclusive exhibitions, participated in numerous group exhibitions and prominent art fairs.
