'Further evidence for the existence of two receptor sites for bradykinin responsible for the diphasic effect in the rat isolated duodenum' by Paulo Boschov, Antonia C.M. Paiva, Therezinha B. Paiva & Suma I. Shimuta.

There is an error in the labelling of Figure 7a in this paper.

The labels Pot C  $\uparrow$  B<sub>2</sub> should read Pot C  $\uparrow$  B<sub>1</sub>.
