

Erratum

Effects of moderate hypothermia on sarcolemmal Na^+/H^+ exchanger activity and its inhibition by cariporide in cardiac ventricular myocytes

Kimihiko Hoshino & Metin Avkiran

British Journal of Pharmacology (2001) **134**, 1587–1595.

In the above issue the equation

$$\beta_i = [\text{NH}_4^+]_i / \text{pH}_i$$

on page 1588 is incorrect. The correct equation appears below.

$$\beta_i = \Delta[\text{NH}_4^+]_i / \Delta\text{pH}_i$$
