

# Erratum

In Iwasa et al., (2011) an error appeared in Figure 6. The units for the y-axis should have been  $\text{pmol}\cdot\text{L}^{-1}$  rather than  $\text{pmol}\cdot\text{mL}^{-1}$ . The corrected figure appears below.

**Figure 6**

We apologize for this error and any confusion it may have caused.

## Reference

Iwasa M, Yamada Y, Kobayashi H, Yasuda S, Kawamura I, Sumi S *et al.* (2011). Both stimulation of GLP-1 receptors and inhibition of glycogenolysis additively contribute to a protective effect of oral miglitol against ischaemia-reperfusion injury in rabbits. *Br J Pharmacol* 164: 119–131.
