

Scholarship announcement

Scholarships offered for The European School of Haematology

Scholarships for participation in the newly created E.S.H. are provided by the French Foundation Against Leukaemia. The E.S.H. provides a series of conferences each year in the form of 5 day intensive sessions, each on a specific topic of current interest on various frontiers of Haematology.

The first program will be "Platelet Aggregation: Mechanism, Pathology, and Pharmacology", from October 5 – 10, 1986. Information on the scholarships as well as details of this and future programs can be obtained from:

The European School of Haematology
Centre G. Hayem
1, ave Claude Vellefaux
F-75475 Paris Cedex 10, France

Meeting announcements
