4TH INTERNATIONAL WORKSHOP ON OLIGO AND POLYSACCHARIDES

14–16 September 1994, Aussois, France.

This workshop is being sponsored by the Institut National de la Recherche Agronomique, and will be held in Aussois, France.

Programme

The programme will consist of oral communications and posters based on the following subjects:

- (i) Biosynthesis
- (ii) Biological activity
- (iii) Polysaccharides and enzymes
- (iv) Analytical developments in polysaccharide structures
- (v) New polysaccharide-based materials
