

ANNOUNCEMENT

The next meeting of the Chemical Society Carbohydrate Group will be held at the University of Oxford during 9th–11th April, 1973. The meeting will include the second Haworth Memorial Lecture, to be given by Dr. H. S. Isbell (American University, Washington), and a symposium on "Oligosaccharides", besides contributed papers on general carbohydrate chemistry.

Further details may be obtained from Dr. N. R. Williams, Chemistry Department, Birkbeck College, Malet Street, London WC1E 7HX, Great Britain.

CORRIGENDUM

Carbohydr. Res., 23 (1972) page 436, line 2; should read: reflux. Mass spectrum, *m/e* (rel. %): 228(0.5), 186(10), 144(20), 115(15), 101(20), 85(2), 73(1), 72(3),
