

Announcement

Nominations are being solicited for the American Chemical Society 1984 CLAUDE S. HUDSON AWARD IN CARBOHYDRATE CHEMISTRY to recognize outstanding contributions to carbohydrate chemistry, whether in education, research, or applications. The award is sponsored by the Merck Sharp & Dohme Research Laboratories and the Kelco Division of Merck & Company, Inc. Nominations are made by letter containing an evaluation of the nominee's accomplishments and a specific identification of the work to be recognized. Also required are a biographical sketch, including date of birth, and a list of publications and patents authored by the nominee. Mail 6 copies to Awards Office, American Chemical Society, 1155-16th Street, N.W., Washington, D.C., 20036, postmarked no later than March 1, 1983.
