

Corrigendum

Corrigendum to “Identification of a hexasaccharide
sequence able to inhibit thrombin and suitable for
‘polymerisation’”^{☆,☆☆}
[Carbohydrate Research 317 (1999) 63–84]

The publisher and the authors sincerely regret that due to a last-minute editorial change this paper was incorrectly titled. The correct title should read
“Identification of a hexasaccharide sequence suitable for polymerisation with a view to thrombin inhibition”.

[☆] PII of original article S0008-6215(99)00067-1.

^{☆☆} Part 1 of the series: ‘Design and synthesis of heparin mimetics able to inhibit thrombin’.
