The authors regret that the formula in Scheme 1 for compounds **2** and **6** for D-Gal- β -(1 $\rightarrow$ 2)-D-Glc- β OMe, and in Scheme 2 for compounds **10** and **11** for L-Fuc- α -(1 $\rightarrow$ 2)-D-Gal- β -(1 $\rightarrow$ 2)-D-Glc- β OMe contained errors. The correct formulae appear below.
