

**Corrigendum****Electron-transfer Reductions by Active Aldehydes catalysed by Thiazolium Salt  
in the Presence of Triethylamine**

By HIROO INOUE and KUNIIHIKO HIGASHIURA

*J. Chem. Soc., Chem. Commun.*, 1980, 549.

On p. 549, l.h.s., line 7, 'have not been explored' should read 'have been explored a little'; as an example of this see J. Castells, H. Llitjos, and M. Moreno-Mañas, *Tetrahedron Lett.*, 1977, 205.
