

ReSource is a website designed to provide user-friendly, rapid access to an extensive range of online services for authors and referees.

ReSource

Lighting your way through
the publication process

RSC Ads-24110432 - mono

ReSource enables authors to:

- submit manuscripts electronically
- track their manuscript through the peer review and publication process
- collect their free PDF reprints
- view the history of articles previously submitted

ReSource enables referees to:

- download and report on articles
- monitor outcome of articles previously reviewed
- check and update their research profile

"The web site is fantastic. I find it very user-friendly and clear. Congratulations"
