years of
publishing

Organic & Biomolecular Chemistry ...

- now one of the leading journals in the field
- Impact Factor 2.55
- high exposure - top papers highlighted in the wider scientific press
- indexed in MEDLINE and other major databases
- short publication times, as low as 24 days from acceptance for papers, and 14 days for communications

OBC has achieved tremendous success since the first issue was published in January 2003. Can any other 'young' journal boast such highly cited papers, published quickly to such exacting standards?
