

**CO and NO in medicine**

Brian E. Mann and Roberto Motterlini

*Chem. Commun.*, 2007, 4197–4208 (DOI: 10.1039/b704873d)

In Scheme 3 the structure of cyclic GMP is incorrect. The ribosyl to N-9 bond is missing. The corrected graphic is provided below.

The Royal Society of Chemistry apologises for this error and any consequent inconvenience to authors and readers.

Additions and corrections can be viewed online by accessing the original article to which they apply.

# Dendrimers in Medicine and Biotechnology

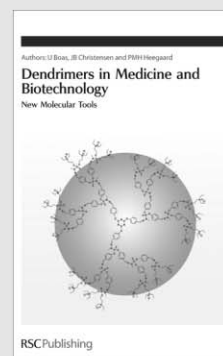

## New Molecular Tools

By U Boas, J B Christensen and P M H Heegaard

Using an interdisciplinary approach, with particular emphasis on biological applications, this book provides a comprehensive introduction to this new class of macromolecule. Topics include:

- dendrimers in biological systems
- drugs and drug delivery devices
- diagnostics

It will appeal to a wide range of scientists who require an introduction to dendrimers and their applications in biology and medicine.
