'What the RSC is doing through the publication of this journal is important for progress of science and integration of physical sciences and biology' Dr Mina Bissell

Integrative Biology

Quantitative biosciences from nano to macro

Launching January 2009

Integrative Biology provides a unique venue for elucidating biological processes, mechanisms and phenomena through quantitative enabling technologies at the convergence of biology with physics, chemistry, engineering, imaging and informatics.

The latest issue will be freely available online. Institutional online access to all 2009/10 content will be available following registration at www.rsc.org/ibiology_registration

RSC Database and Current Awareness Products

- Abstracted from high quality sources
- Easy to use search functions
- Clearly displayed results
- Spanning the chemical sciences

for quick and easy searching

Graphical Databases

present search results in both text and graphical form. Titles include *Catalysts & Catalysed Reactions*, *Methods in Organic Synthesis* and *Natural Product Updates*.

Specialist Databases

review both academic and industrial literature on a wide range of hard to reach and unique information. Titles include *Chemical Hazards in Industry* and *Laboratory Hazards Bulletin*.

Analytical Abstracts

is the first stop for analytical scientists. Offering coverage on all areas of analytical and bioanalytical science. With a fresh new look, including improved search and results features, *Analytical Abstracts* offers an excellent online service.
