

Addendum

Solvation in Aqueous *N*-Methylacetamide Solution of AlCl_3 : an N.m.r. Study

By J. F. HINTON and E. S. AMIS

Chem. Comm., 1967, 100.

This Communication should have contained a reference to the work of A. FRATIELLO and D. P. MILLER on "N.m.r. studies of electrolytes in binary solvent mixtures. Part I. 10:1 Aqueous mixtures of acetone, *NN*-dimethylformamide, dimethyl sulphoxide, dioxan, ethanol, and *N*-methylformamide" (*Mol. Phys.*, 1966, **11**, 37).
