

Corrigenda

Cordiachromes: A New Group of Terpenoid Quinones from *Cordia* spp.

By M. MOIR, R. H. THOMSON, B. M. HAUSEN, and M. H. SIMATUPANG

J. C. S. Chem. Comm., 1972, 363.

On p. 364, structures (V) and (VI) should read:

**On the Origin of Petroporphyrin Homologues:
the Transalkylation of Vanadyl Octa-alkylporphyrins**

By R. BONNETT, P. BREWER, K. NORO, and T. NORO

J. C. S. Chem. Comm., 1972, 562.On p. 563, r.h. column, in the Figure, *m/e* 550 should read 580.
