

Corrigenda**A Model for Firefly Luciferin Biosynthesis**

By FRANK MCCAPRA and ZIA RAZAVI

J.C.S. Chem. Comm., 1975, 42.

The structures of compounds (2) and (3) have been incorrectly formulated. Their structures should be as follows (G. Prota and E. Ponsiglione, *Tetrahedron Letters*, 1972, 1327).

The observations and conclusions are otherwise unchanged.
