

Corrigendum**Synthesis and Biological Activity of Monoterpenoid Analogues of *cis*-Sativenediol and Helminthosporal**

By MALCOLM S. ALLEN, NANCY LAMB, THOMAS MONEY, and PHILIP SALISBURY

J.C.S. Chem. Comm., 1979, 112.

On p. 112, r.h.s., lines 9 and 10 should read: activity and this stimulated our interest in the potential phytohormone properties of their monoterpenoid analogues which are indicated by the thickened lines of structures (1)—(4).
