

Corrigendum**Reversed Flow Gas Chromatography for studying Heterogeneous Catalysis**

By NICHOLAS A. KATSANOS and IRENE GEORGIADOU

J. Chem. Soc., Chem. Commun., 1980, 242.

On p. 243, equation (2) should read

$$c = \frac{m \cdot k g e^{-k t_{\text{tot}}}}{\bar{V}} \{ e^{k(t' - t'_{\text{R}})} \{ u(t' - t'_{\text{R}}) - u[t' - (t'_{\text{R}} + t_{\text{R}})] \} + e^{-k(t' - t'_{\text{R}})} u(t' - t'_{\text{R}}) \}.$$
