

Corrigenda

Partial Synthesis of 11-Oxygenated *Erythrina* Alkaloids

Maysoon I. Abdullah, Amrite S. Chawla, and Anthony H. Jackson

J. Chem. Soc., Chem. Commun., 1982, 904.

The second author's name for this article should read Amrik S. Chawla.

Regiospecificity in Nucleophilic Displacement of Aromatic Nitro-groups

Fabio Benedetti, Donald R. Marshall, Charles J. M. Stirling, and John L. Leng

J. Chem. Soc., Chem. Commun., 1982, 918.

On p. 919, the last sentence of the footnote is incorrect and should be deleted; an incorrectly formulated literature search failed to reveal several relevant citations.

Monocyclic β -Lactam Tripeptide, 1-(D-Carboxy-2-methylpropyl)-3-L-(δ -L-2-amino-adipamido)-4-L-mercaptoazetidin-2-one, a Putative Intermediate in Penicillin Biosynthesis

Sir Edward P. Abraham, Robert M. Adlington, Jack E. Baldwin, Michael J. Crimmin, Leslie D. Field, Gamini S. Jayatilake, and Robert L. White

J. Chem. Soc., Chem. Commun., 1982, 1130.

The name John J. Usher was omitted from the list of authors and should be included.
