

Corrigenda**The Selective Introduction of Organometallic Markers into Oestrogens. C-16 Prop-2-ynylation of Oestrone**

Michel Gruselle, Simon Greenfield, and Gerard Jaouen

J. Chem. Soc., Chem. Commun., 1987, 1353.

The A-ring side chain should be bonded to C-2 rather than C-1.

Covalent Binding of Electron Relays to Glucose Oxidase

Philip N. Bartlett, Richard G. Whitaker, Monika J. Green, and Jane Frew

J. Chem. Soc., Chem. Commun., 1987, 1603.

A typographical error has been brought to our attention by Dr. Heller. Throughout the paper the name of his colleague has been misspelt. The name Delgani should be replaced by Degani.
