

### Corrigendum

## A Direct Correlation between Dispersion, Metal Area, and Vapour Phase Hydrogenation of Aniline; a First Report

Venkataraman Vishwanathan and Sankarasubbier Narayanan

*J. Chem. Soc., Chem. Commun.*, 1990, 78.

The correct Figure 3 and legend are given below.

**Figure 3.** A correlation between metal area, dispersion (●), and turnover frequency (○) for aniline hydrogenation.
