

Corrigendum**The Synthesis of Metal Compounds of Calcium, Strontium and Barium by Ammonia Gas-saturated Ethereal Solvents**

Simon R. Drake and David J. Otway

J. Chem. Soc., Chem. Commun., 1991, 517.

In Table 1 and in the text the formulae should read $[M(\text{CPh}_3)_2(\text{thf})_2]$ ($M = \text{Ca}$ or Ba) for the bis(triphenylmethyl) complexes, and $[M(\text{CCPh})_2(\text{thf})]$ ($M = \text{Sr}$ or Ba) for the phenylacetylide complexes.
