European Biomarkers Summit

26-27 September 2006, Prague, Czech Republic

Select Biosciences are delighted to welcome you to the inaugural European Biomarkers Summit which is set to become a must-attend event in your calendar. The event will be held at the 5* Corinthia Towers Hotel in Prague. We are already securing a number of influential exhibitors and speakers.

To ensure you have the opportunity to see some of the top people in this industry, as well as the chance to network with some highly respected individuals from within your area of interest, register now. Registration is available online starting at just €335.

The European Biomarkers Summit will include top speakers from pharmaceutical organisations, academic establishments and various industry leaders. The agenda is now available online from the conference web site.

- Session topics:**
- Biomarker Discovery
 - Proteomics and Expression Signatures
 - Biomarkers in Genomics, Metabolomics and Translational Medicine
 - Disease Specific Biomarkers

Call for posters - Deadline 14 August 2006. Submission forms and details available online.
