- Food and nutrition
- Materials and nanoscience
- Analytical and environmental sciences
- Organic, inorganic and physical chemistry

Look out for 3 new series coming soon ...

- RSC Nanoscience & Nanotechnology Series
- Issues in Toxicology
- RSC Biomolecular Sciences Series

Take the global perspective

chemistryworld

Chemistry World, the monthly magazine from the Royal Society of Chemistry, has something for everyone

- Daily online news
- Articles on all aspects of the chemical sciences
- Company and individual profiles
- Job vacancies
- Business news analysis
- Award-winning columnists
- Chemistry through the lens

Award-winning

Named Best monthly business and professional magazine of the year at the 2006 PPA Magazine Awards, *Chemistry World* reflects the ubiquitous importance of the chemical sciences in the world today, providing a more complete picture and an informed opinion on the issues that matter.

Updated daily

Daily web updates give the magazine a strong online presence that enhances and expands on the monthly print issue.

Interactive

With the new monthly *Chemistry World* Podcast and the daily updated *Chemistry World* Blog, there's a chance to go interactive.
