# Covering the complete spectrum

## Multidisciplinary chemical sciences

### For communications...

*ChemComm* is a weekly high impact blend of quality research from across the chemical sciences, offering exceptionally fast publication times.

[www.rsc.org/chemcomm](http://www.rsc.org/chemcomm)

### For reviews...

*Chem Soc Rev* provides highly cited, succinct and reader friendly review articles each month, covering topics of international, multidisciplinary and social interest.

[www.rsc.org/chemsocrev](http://www.rsc.org/chemsocrev)

### For full papers...

The home of quality, original and significant work of wide general appeal, the monthly issue of *New Journal of Chemistry* is the perfect place to publish your research.

[www.rsc.org/njc](http://www.rsc.org/njc)

### For the latest news...

The award-winning *Chemistry World* is a lively and informative guide to the latest developments across the chemical sciences. Daily web updates ensure you'll always be kept informed of the science hitting the headlines.
