ISSN 1359-7345

## COMMUNICATION

Véronique Gouverneur *et al.*  
Fluorous synthesis of allylic fluorides:  
C–F bond formation as the detagging  
process

## FEATURE ARTICLE

Martin Albrecht  
C4-bound imidazolylidenes: from  
curiosities to high-impact carbene  
ligands

1359-7345(2008)31;1-2
