
ERRATUM

Intrinsic Nitric Oxide Regulates the Taste Response of the Sugar Receptor Cell in the Blowfly, *Phormia regina*

Yoshihiro Murata, Masashi Mashiko, Mamiko Ozaki, Taisaku Amakawa and Tadashi Nakamura

Chemical Senses, 29, 75–81, 2004

Regrettably, this article included an error in the caption of Figure 1 on page 77. The sentence “Each number in parentheses in a column of the graph indicates experimental trail times” should have been presented as “Experimental trial times were 8, 7, 7, 7, 7, 7, 5, 5, and 6 (from left to right columns).”
