

THE SMART WAY TO STAY AHEAD!

Overburdened? Too much to do and too little time?

Annual Reports in the Progress of Chemistry offers an easy, inexpensive way to keep up with chemical research.

Annual Reports:

- ❖ reviews exciting advances in all areas of contemporary chemistry
- ❖ surveys all the major international journals
- ❖ provides the reader with a critical overview
- ❖ offers the essential background reading to research and teaching
- ❖ appears in three sections, so you can select just that area of most use to you

Journal of

CHEMICAL
RESEARCH

Journal of Chemical Research is:

COMPREHENSIVE – JCR publishes reports of original research in all areas of chemistry

BRIEF – JCR appears in two parts; Part S contains synopses of research papers of only one or two pages - brief enough to scan quickly

DETAILED – JCR also offers Part M, containing the full texts of research papers given in synopsis in Part S, and is available in microfiche or miniprint format

UNIQUE – JCR is the only international chemistry journal in this unique synopsis and microform format

INTERNATIONAL – JCR contains topical research from key authors all over the world
