'I wish the others were as easy to use.'

'ReSource is the best online submission system of any publisher.'

'It leads the way for online submission and refereeing.'

ReSource

A selection of comments received from just a few of the thousands of satisfied RSC authors and referees who have used ReSource to submit and referee manuscripts. The online portal provides a host of services, to help you through every step of the publication process.

**authors** benefit from a user-friendly electronic submission process, manuscript tracking facilities, online proof collection, free pdf reprints, and can review all aspects of their publishing history

**referees** can download articles, submit reports, monitor the outcome of reviewed manuscripts, and check and update their personal profile

**NEW!!** We have added a number of enhancements to ReSource, to improve your publishing experience even further.

New features include:

- the facility for authors to save manuscript submissions at key stages in the process (handy for those juggling a hectic research schedule)
- checklists and support notes (with useful hints, tips and reminders)
- and a fresh new look (so that you can more easily see what you have done and need to do next)

A class-leading submission and refereeing service, top quality high impact journals, all from a not-for-profit society publisher ... is it any wonder that more and more researchers are supporting RSC Publishing? Go online today and find out more.
