ChemComm

... a leading international journal for the publication of communications on important new developments in the chemical sciences. It provides preliminary accounts of original and significant research that will appeal to a wide general readership or be of exceptional interest to the specialist.

- high impact – Impact Factor 4.426
- rapid publication – typically 60 days from receipt to publication
- 3 page communications, providing authors with the flexibility to develop their results and discussion
- high visibility – indexed in MEDLINE and other major databases
- high exposure – top papers are highlighted as “Hot Papers” to the wider scientific press
- free colour where scientifically necessary and no page charges

Professor Jonathan Sessler US Associate Editor for supramolecular chemistry

Professor Sessler is Roland K. Pettit Centennial Professor of Chemistry at The University of Texas at Austin. Research in his group is focused on various aspects of macrocyclic and supramolecular chemistry, including expanded porphyrins, base-pairing models, anion receptor chemistry, lanthanide and actinide coordination, and novel metal-based approaches to drug development.

Happy to receive papers on important developments in supramolecular chemistry, Professor Sessler can be contacted via chemcommun@cm.utexas.edu

RSC online shop now open

And to celebrate we're having a sale...

The RSC online shop gives you continuous access to class leading products and services, expertly tailored to cater for your training and educational needs.

Browse: visit our shop to browse over 400 book titles, subscribe or purchase an individual article in one of our journals, register to attend a conference or one of our training events.

Gift Ideas: if you're looking for gift ideas, look no further. In our online shop you'll find everything from popular science books like *The Age of the Molecule* and the inspirational *Elegant Solutions* from award winning writer, Philip Ball, to our stunning Visual Elements wall chart and brain-teasing *Chemistry Su Doku* and *Crosswords* puzzle series.

Sale Now On: shop online during November and December and get a huge **25% discount*** on all books, puzzles/games, videos or wall charts purchased.

* Discount applied to your purchases when you check out.
Offer ends December 31st, 2006

RSC is a not for profit organisation. Revenue generated from collecting membership subscriptions, conference registration fees or through sales of our products is invested to support chemical science initiatives across the world.
