

ERRATA

Volume 63, 1963

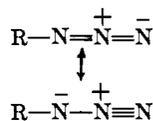

The Chemistry of Imines. By R. W. Layer

Page 492: References numbered 157 in Table II should be 197.

Volume 64, 1964

Preparation and Properties of Imido Intermediates. By R. A. Abramovitch and B. A. Davis

Page 158: Column 1; insert XVI under the formulas

Page 159: Column 2, line 26, should read azidobiphenyl instead of azidophenyl.

Page 164: Column 2, line 16; delete "shown in Scheme VI."

Page 175: Column 2; first formula in second line of second set of equations should be $\text{>N}-\overset{-}{\text{N}}-\overset{+}{\text{O}}-\text{H}$.

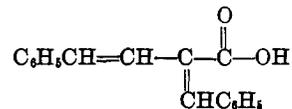

Page 178: Column 1, line 4; formula should be $\text{R}-\ddot{\text{N}}$.

Page 185: Column 1; ref. 323 should read: Vivian, D. L., and Waterman, H. C., *J. Org. Chem.*, 21, 914 (1956).

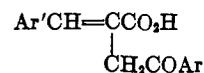

Chemistry of Butenolides. By Y. Shyamsunder Rao

Pages 356 and 363: Formulas XIX and LVI should have no double bond between the oxygen in the ring and carbonyl carbon atoms.

Page 357: Formula XXV should read

Page 377: Column 2, line 4 of structure should read

Page 379: Column 1, line 10; substitute 7-methoxy- for 6-methoxy
