CORRIGENDA

In the paper by P. Gütlich, J.-M. Lehn et al. published in *Chem. Eur. J.* 2003, 9, 4422, there was an error. The order of the ligands **A** – **H** shown in Scheme 1 was not correct and should be changed as shown below. The numbering of complexes 1–8 is correct.

Scheme 1. Ligands $\mathbf{A} - \mathbf{H}$ and $[2 \times 2]$ grid complexes $\mathbf{1} - \mathbf{8}$.
