(Received April 16, 2010; CL-100369; E-mail: takuji-ikeda@aist.go.jp)

The title at the top of page 747 is not “Structure Dtermination of H-LDS: ...,” but “Structure Determination of H-LDS: An Acidified Form of the Layered Silicate K-LDS.”

Above-referenced data is the original version which appeared in the July issue (issue date: July 5th, 2010).

Corrected version is as follows.

Corrected version

Structure Determination of H-LDS: An Acidified Form of the Layered Silicate K-LDS
