

Erratum

Death, Taxes, and the Genetic Code?

Due to an editorial oversight, an incomplete reference was given for the paper by Forster et al. discussed in the Preview by J.F. Curran (*Chem. Biol.* 10, 586–587). The correct citation for this paper follows: Forster, A.C., Tan, Z., Nalam, M.N., Lin, H., Qu, H., Cornish, V.W., and Blacklow, S.C. (2003). Programming peptidomimetic syntheses by translating genetic codes designed de novo. *Proc. Natl. Acad. Sci. USA* 100, 6353–6357.
