

IN MEMORIAM

MARGERIS LIDAKS
(May 14, 1928 – August 19, 2003)

Professor Marger Yur'evich Lidaks died on August 19, 2003. He was a member of the Editorial Board of our journal since its founding. Prof. Lidaks was an outstanding chemist and developed drugs, which eased the suffering of thousands and restored health and vitality to many.

The death of Prof. Lidaks is an irreplaceable loss for all his colleagues and students.

The Editorial Board of *Khimiya Geterotsiklicheskikh Soedinenii* expresses its sincere sympathies to Prof. Lidaks' relatives and friends and mourns him together with them.
