

2001, Volume 13

Angela M. Bardo, Maryanne M. Collinson, and Daniel A. Higgins: Nanoscale Properties and Matrix–Dopant Interactions in Dye-Doped Organically Modified Silicate Thin Films.

An error occurred in the calculation of the $\Delta\Delta G^\circ$ values used in the left column of Figure 3 and in Figure 4 in the original publication (*Chem. Mater.* 2001, 13, 2713–2721). The corrected versions are given below. All interpretations and conclusions based on these data remain unchanged.

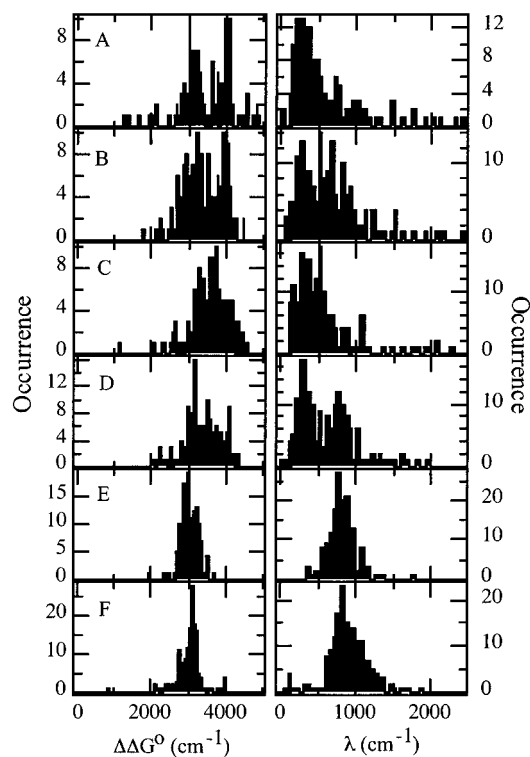

Figure 3.

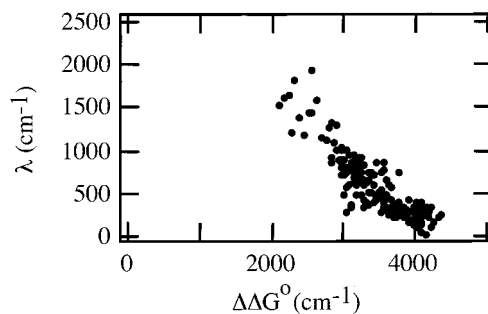

Figure 4.
