

## INDEX OF NATURAL OBJECTS

- Aptos aptos*, No. 6, 849  
*Acabaria erithraea*, No. 6, 898  
*Aconitum barbatum* var. *puberulum*, No. 6, 934  
*Althaea armeniaca*, No. 6, 775  
*Annella* sp., No. 6, 898  
*Anthemis dipsaceae* Bornm., No. 6, 900  
*Anthemis pectinata* Boiss. & Reuter var. *pectinata*, No. 6, 900  
*Anthemis pseudocotula* Boiss., No. 6, 900  
*Artemisia abrotanum* L., No. 6, 905  
*Artemisia annua* L., No. 6, 909  
*Artemisia dracunculus* L., No. 6, 905  
*Artemisia scoparia* Waldst. et Kit, No. 6, 909  
*Bebryce studeri*, No. 6, 898  
*Broussonetia papyrifera* (Linn.) Vent, No. 6, 881  
*Buxus balearica* Lam, No. 6, 936  
*Buxus colchica* Pojark., No. 6, 936  
*Buxus sempervirens*, No. 6, 936  
*Callisia fragrans* Wood., No. 6, 939  
*Chironophthya variabilis*, No. 6, 898  
*Chlorella vulgaris* MCCC 013, No. 6, 824  
*Costaria costata* [Turn.] Saund, No. 6, 786  
*Daucus carota* L. ssp. *carota*, No. 6, 889  
*Dianthus lydus*, No. 6, 782  
*Dianthus elegans* var. *elegans*, No. 6, 782  
*Dianthus erinaceus* var. *erinaceus*, No. 6, 782  
*Dianthus zonatus* var. *zonatus*, No. 6, 782  
*Dracocephalum peregrinum*, No. 6, 927  
*Ellisella plexauroides*, No. 6, 898  
*Euphorbia armena* Prokh., No. 6, 859  
*Euphorbia sororia* A. Schrenk, No. 6, 921  
*Ferulago platycarpa* Boiss. & Bal., No. 6, 872  
*Fragaria* × *ananassa* Duch. (Strawberries), No. 6, 861  
*Fraxinus rhynchophylla* Hance, No. 6, 814  
*Fungus* (No. ZZF 32#), No. 6, 779  
*Gossypium arboreum* L. (D-1331 variety), No. 6, 941  
*Gossypium hirsutum* L. (Namangan-77 variety), No. 6, 941  
*Helichrysum arenarium* L., No. 6, 929  
*Helleborus caucasicus* A. Br., No. 6, 925  
*Henricia* sp., No. 6, 870  
*Hunteria zeylanica* (Retz.), No. 6, 834  
*Hyrtios* sp., No. 6, 849  
*Melithaea* sp., No. 6, 898  
*Menella praelonga*, No. 6, 898  
*Michelia compressa* var. *formosana*, No. 6, 931  
*Nepeta cataria* L., No. 6, 913  
*Ononis angustissima* Lam., No. 6, 874  
*Panax quinquefolium* L., No. 6, 808  
*Panzerina lanata* (L.) Sojak., No. 6, 864  
*Paracis* sp., No. 6, 898  
*Penicillium* sp. 091402 (from *Bruguiera sexangula*), No. 6, 805  
*Phragmitis communis* (Phragmitis Rhizoma), No. 6, 893  
*Picea obovata* L, No. 6, 792  
*Pinus sylvestris* L., No. 6, 792  
*Polygonatum odoratum*, No. 6, 876  
*Rosa canina* L., No. 6, 867  
*Salvia aethiopsis*, No. 6, 944  
*Salvia candidissima*, No. 6, 944  
*Salvia ceratophylla*, No. 6, 944  
*Salvia euphratica*, No. 6, 944  
*Salvia russellii*, No. 6, 944  
*Salvia suffruticosa*, No. 6, 944  
*Salvia trichoclada*, No. 6, 944  
*Salvia verticillata*, No. 6, 944  
*Salvia virgata*, No. 6, 944  
*Scrophularia nodosa* L., No. 6, 885  
*Scrophularia scopolii* L., No. 6, 885  
*Scutellaria schachristanica* Zuz., No. 6, 883  
*Sideritis condensata* Boiss. & Heldr., No. 6, 918  
*Siphonogorgia* sp., No. 6, 898  
*Sophora mollis* (Royle) Baker, No. 6, 896  
*Stenogorgia* sp., No. 6, 916  
*Symphocladia latiuscula*, No. 6, 811  
*Tubercularia* sp. TF5 (from *Taxus mairei*), No. 6, 797  
*Viminella* sp., No. 6, 898  
*Zephyranthes candida*, No. 6, 829
